

FISCAL NOTE

SB 798 - HB 995

March 23, 2005

SUMMARY OF BILL: Requires state agencies to notify the Department of Health of persons who have been found by that agency to have committed abuse, neglect, or misappropriation of the property of a vulnerable person in accordance with abuse registry statute.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- Currently, the Tennessee Bureau of Investigation, the Department of Human Services and the Department of Mental Health and Developmental Disabilities provide the appropriate information concerning individuals who have committed abuse, neglect, or misappropriation of the property of a vulnerable person to the Department of Health.
- This bill would have a not significant impact on state expenditures for agencies to report such information and for the Department of Health to register such information.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".

James W. White, Executive Director
